

PE kits

Dear Parents/Carers,

I am writing to you regarding PE kits.

Initially children will not be getting changed for PE as the advice from Public Health is not to change clothing. However, please bring their PE kits into school as a change of clothes should your child have an accident etc. The bags can be kept on their individual pegs.

During the academic year when children complete different units of PE, teachers will send your child's PE kit home and, on their PE days, will need to come to school wearing it instead of their uniform. Teachers will advise parent/carers when this will happen.

Thank you.

Yours sincerely,

Louise Jones
Executive Head
