

FS2 NEWSLETTER - WC 21.1.2019

Attendance: Class 1-

Class 2 - 100%

We have had a fantastic week this week! We have been building houses with bricks, creating maths games outside and practising reading and writing. Well done Class 1 and 2!

This week

This week we have learning about different materials and their uses.

We have described them and explored them on our investigative tables. We are learning which materials would be good to build a house with and which materials would not work.

Stars of the week

Class One -

Brodie: For always being so kind and for trying really hard with your learning this week.

Lauren: For sharing and excellent turn taking- Great job!

Class Two -

Harry: For trying really hard in maths this week.

Brooke: For being a super helper around the classroom.

Well done boys and girls you can sit on the star cushions next week!

Home work

Homework will continue to be sent out in a Tuesday to be returned by the following Monday.

Reminders

Please remember that children are not to bring in any toys from home as this can often cause upset if it is lost or broken. Many thanks for your continued support.
