

FS2 Parents and carers:

Please find in this pack:

- Set 1 and set 2 phoneme grids
- FS2 high frequency words
- Number and letter formation mats
- Addition activities
- Subtraction activities

Daily learning expectations involve:

- Daily recap of phoneme chart
- 5 spellings from high frequency word grid
- Number and letter formation daily
- 5 addition and subtraction activity practises
- *Please repeat anything your child is not secure with.*

For extra fun and engaging activities "Twinkl" have given all parents an incredible offer – all content on their website is FREE for one month! All you have to do is go to www.twinkl.co.uk/offer enter your email address and create a password and use the code: **UKTWINKLHELPS**

If you click on the **Early Years** section, there you will find a vast range of activities for your child to enjoy!

The expectation is that all parents and carers will follow this daily model so that when all children return back to school, they are all at the same point. We will be continuing with learning with the knowledge that they have been learning the above at home, so please ensure your child completes the short activities above.

This pack is to be returned to your class teacher on the day of return to Royd.
