

# Passport Activity Newsletter

## February 2022

Welcome to the **February edition** of our Sheffield CU Passport Activity Newsletter.

It's packed with fun activities happening during the half term school holidays – from multi-activity Camps and arts and crafts, to animations, inventions and cooking!

In here you'll find activities taking place across the city in the school holidays – and if your child has a Passport to Learning, they'll be able to earn CU credits for taking part in all of them! Some of the activities are FREE while some will need to be paid for, and some require booking in advance. We would always recommend contacting the Learning Destination before making a special journey to join them, and you can find contact details of ALL of our Learning Destinations here: [www.childrensuniversity.co.uk](http://www.childrensuniversity.co.uk)

During 2020 and 2021, we published daily CU Home Learning Challenges and we reached **98** of them by the end of the school year! As they were so successful, we continued publishing challenges during the school holidays and the great news is that they're all still available for you to download and complete, so have a look for the links to access them on the next page. There is information on how you can claim CU credits for completing these challenges if you normally attend a Sheffield school and have a Passport to Learning.

If you see challenges published by other CUs, then do feel free to complete them. To claim your CU credits for these, you'll need to fill in our BRAND NEW online form: <https://bit.ly/claimSCUcreditsbeyondSheffield> We LOVE to see photos of your learning, so do email them to us at [CU@sheffield.gov.uk](mailto:CU@sheffield.gov.uk)

You can find Learning Destinations in Sheffield and beyond at [www.childrensuniversity.co.uk](http://www.childrensuniversity.co.uk) or see our latest list at the end of the newsletter.

If you would like to join our Parent/Carer Mailing list to receive updates, activity information and news, please email [CU@sheffield.gov.uk](mailto:CU@sheffield.gov.uk) . Otherwise, make sure you're following us on social media for our daily CU Home Learning Challenges and other regular updates! In the meantime, stay safe, stay happy, have fun and keep learning!

**Sally and Her Super Snot with award winning author Salma Zaman.**  
Join in with this online activity on Tuesday 15<sup>th</sup> February 2.00-3.00pm.

Meet Award Winning Author Salma Zaman and hear her recite her latest Children's book 'Sally and her Super Snot'. Explore creative themes, illustrations, dance, music and make your own Slime! Get ready to get messy! This is going to be so much FUN! Don't miss out.

Sally feels her nose start to tickle. Everyone knows what this means.... Super snot! As the snot stretches all over the museum causing immense havoc, a whole host of historical characters, including Medieval kings, Egyptian mummies, and Victorian children, try to stop the snot. But the snot keeps getting away, hear the dinosaurs roar loudly at the snot. Will the children get out safely or will the super snot cover them from head to toe?

Book your place via Eventbrite using the QR code.

**LIBRARIES** SHEFFIELD  
DISCOVER MORE.

# Maker {Move}

## Maker{Move} and Sheffield Invents

Monday 14 Feb, 12-3pm - Kelham Island Museum  
Tuesday 15th Feb, 2-4pm - Pitsmoor Adventure Playground  
Free - family drop in

Join the Maker{Move} team and Sheffield Museums and get hands on with some Sheffield inventions and machines. Using the resources on our pop-up makerspace you will be able to create, tinker, test and make your own inventions!

You can also book a visit from the Maker{Move} van for your school, library or community setting. Visit [www.makerfutures.org](http://www.makerfutures.org) for more information and follow us [@Maker\\_Futures](https://twitter.com/Maker_Futures)

## Maker{Move} at Kiveton Park Community Library

Thursday 24th February 10am-12pm  
Free - family drop in

Visit our pop-up makerspace at Kiveton Park Community Library to create, play, tinker, test and make! Visit [www.makerfutures.org](http://www.makerfutures.org) for more information and follow us [@Maker\\_Futures](https://twitter.com/Maker_Futures)

A colorful poster for Archie Camp. At the top, a blue tent is pitched on a grassy field. Below this, the title 'Archie Camp' is written in large blue letters. The poster is divided into several sections: a central text box describing the camp as holiday sports and fun activity for children aged 6-11; a 'Dates' section listing 14th, 15th, and 16th Feb 2022 and the location at Forge Valley Sports Centre; a 'Cost' section with a table of prices for 1, 2, and 3 days, including extended hours; and a 'Dates' section with a photo of children playing on red exercise balls. At the bottom, a large group photo of children in yellow shirts is shown.

**Archie Camp**

Holiday sports and fun activity provision for children aged 6-11 years.  
Come have lots of fun trying different sports, arts and crafts, team games and outdoor activities.

**Dates**

14<sup>th</sup> 15<sup>th</sup> and 16<sup>th</sup> Feb 2022

Forge Valley Sports Centre  
Forge Valley School  
Wood Lane, Sheffield

# WHEN ART AND STEM COLLIDE

Sunday 27th February 2022  
Sheffield City Centre (Venue tbc)

Explore your creativity  
Delve into different artforms  
Learn from professional artists  
Broaden your creative opportunities

FREE CREATIVE SESSIONS for 12-16 year-olds, inspired by Sheffield's rich space heritage. Join us for hands-on activities around the theme of creativity and space!

## 10.30am-12 noon - Taste Exploration

In this workshop, you'll investigate taste and create marshmallow constellations that are good enough to eat. Discover more about this function, from exploring how astronauts taste in space to doctors using taste training to help those recovering from Covid 19.

## 1.00pm-2.30pm - Discover Chromatography

Artists originally used chromatography to dye materials and fabrics, then scientists adapted it as a technique to understand liquid mixture, now in space it's used to keep astronauts safe from contaminants and for the analysis of extra-terrestrial environments! Learn how it works for yourself by making your own Chromatography.

## 3.00pm-4.30pm - Planet Fashion

Fashion design combines the knowledge of art and science to come up with clothing solutions that meet the needs of the consumer and push boundaries to create new trends, in this workshop you'll consider materials, functionality and creativity to design a next-level spacesuit!

We've teamed up with Amazelab to develop this hands-on, exciting and inspiring programme which will demonstrate how skills developed through arts and STEM can work together. Workshops are aimed at 12 - 16 year olds, you can attend one session, or all three, the choice is yours. Booking is essential, as places are limited.

## A message from our friends at FACES (Family, Adult and Community Education Services)

Did you know there's a BRILLIANT  
and FREE app, called '50 things to  
do before you're five'?

It's FULL of ideas of great activities  
you can do with young children,  
from birth to age 5. Why not try  
blowing bubbles, enjoying a  
rhyming book together, or even  
getting creative with some junk  
modelling? Perhaps you enjoy trips  
out locally, so why not go exploring  
on foot or a new mode of public  
transport?

There are 50 different things to try,  
giving you a whole load of ideas for something to do.

Just download the app from your preferred App Store, or scan the QR code on the left, choose 'Sheffield' and you're ready to go. You can tick them off as you go! For more information, contact the FACES team using the details on the left. Enjoy!

**\*\*PLEASE NOTE\*\*** As this is for children under school age, the activities on the 50 Things app ARE NOT currently eligible for Children's University credits. However, we wanted to share this information as we know that many of our CU members have younger brothers and sisters, and we wanted to give families ideas of fun things to do. We are working with the 50 Things and FACES Team to develop even more links, so watch this space!

# **Sheffield CU Home Learning Challenges: Reflection Diary**

If you choose to complete one or more of our Home Learning Challenges that we share – well done! We can't wait to see what you've been learning and creating! If you attend a Sheffield school, you can earn CU credits for completing them. To claim your CU credits, please fill in the table below and email a copy of this sheet to [CU@sheffield.gov.uk](mailto:CU@sheffield.gov.uk) with the evidence of each challenge we have asked for (e.g. photos, video, scanned copies of written work, etc.). Please save the evidence from all your completed challenges, and send it all together!

Child's name: \_\_\_\_\_ Child's date of birth: \_\_\_\_ / \_\_\_\_ / \_\_\_\_
 

Child's SHEFFIELD school attended: \_\_\_\_\_ CU Passport to Learning No: \_\_\_\_\_

Date completed	Name of challenge	What I learned by completing this challenge (list at least 3 things!)	What I enjoyed most about this challenge	Total number of credits earned in the activity

I consent to the Sheffield Children's University (CU) Team using the information provided on this form to track my child's participation in extra-curricular activities, and subsequently to award CU credits. I understand this data will be stored securely and only shared with other Council services and schools where appropriate. I also understand that I can request that my child's information is deleted at any point, and that I can find more information on how Sheffield CU uses my child's data by reading the Privacy Notice on their website: [www.sheffield.gov.uk/cu](http://www.sheffield.gov.uk/cu)

Signed (Parent/Carer): \_\_\_\_\_
