This week

We are doing various activities around our topic "Can we explore it". The children will be exploring and measuring sizes of the dinosaurs. Find the dinosaur eggs and matching them to the numbered nests.

The children have also enjoyed making different crafts for arts week. These will then be displayed on our wall. Our theme for this is 'Handa's Surprise'

Reminder

A gentle reminder about only providing water in water bottles and that these are clearly labelled.

Thank you.

Now the warm weather is here please can you ensure your child brings a labeled hat and is wearing sun cream. We will be playing outside and we have very little shade. We are not allowed to apply cream but we can assist them if they are here all day and need to re-apply

Please remember to ensure all your child's clothing and water bottles are labelled and if you could provide spare clothes in their bag as we are very low on spare clothes.
Thank you!
