Homework

Homework will mainly be handed out on a Tuesday. On the odd occasion it may be on a different day due to timetable changes. Please return homework on a Monday. Handing it on a Monday gives you the opportunity before the weekend to ask the teacher any questions so that you are clear of how to support your child if unsure. There is a tray in each class where the homework needs to be returned. Please ask the teacher where this tray is if unsure.

Spellings

Spellings are handed out each Thursday and your child will be tested on these spellings the following Thursday. Children will receive a list of spellings to practise each week. In addition to the spellings, children will be tested on a sentence containing the words. However, the sentence will not be sent home. This is to see if they can apply the spelling currently within their writing. Can you get your child to practise applying the words by creating their very own sentences?

Reading Diaries

Children in KS1 have all been provided with a Home Reading Diary. Please fill this in daily based on your child reading a couple of pages of a book or a whole book. Please return the Reading Diary to school each day and leave it in their book bags. There are books situated in the classroom for your child to take home daily. Reading is extremely important to your child's development so we really encourage your child to read a book or pages of a book daily. If you are unsure of your child's reading book colour then please ask your teacher.

National Online Safety - Parental Controls for Apps (iPhone)

National Online Safety believe in empowering parents, carers and trusted adults with the information they need to hold informed and age-appropriate conversations about online safety with their child, should they feel it is needed. This weeks focus is "Parental Controls for Apps (iPhone)".
