This week:

As part of **Maths** this week the children in year 2 have started their new topic around fractions. We have looked at halves, quarters and thirds. Children have had to write the fraction in words and numerals and recognise a fraction of a shape and an amount. We have learned to use the correct vocabulary when looking at fractions; denominator and numerator. The children have enjoyed exploring this unit of work and have worked very hard to ensure they can apply their skills to solve word problems.

Can your child identify a fraction?
Can they shade a fraction of a shape?
Can they tell you the fraction of an amount?

This week has been transition week! Year 2 children met their new Year 3 teacher. The children have loved getting to know their new schools, routines and classrooms. They have completed lots of fun activities and they have really enjoyed making new friendships with the children in their class.

Homework

Homework will mainly be handed out on a Tuesday. On the odd occasion it may be on a different day due to timetable changes. Please return homework on a Monday. Handing it on a Monday gives you the opportunity before the weekend to ask the teacher any questions so that you are clear of how to support your child if unsure. There is a tray in each class where the homework needs to be returned. Please ask the teacher where this tray is if unsure.

Spellings

Spellings are handed out each Thursday and your child will be tested on these spellings the following Thursday. Children will receive a list of spellings to practise each week. In addition to the spellings, children will be tested on a sentence containing the words. However, the sentence will not be sent home. This is to see if they can apply the spelling currently within their writing. Can you get your child to practise applying the words by creating their very own sentences?

Reading Diaries

Children in KS1 have all been provided with a Home Reading Diary. Please fill this in daily based on your child reading a couple of pages of a book or a whole book. Please return the Reading Diary to school each day and leave it in their book bags. There are books situated in the classroom for your child to take home daily. Reading is extremely important to your child's development so we really encourage your child to read a book or pages of a book daily. If you are unsure of your child's reading book colour then please ask your teacher.
