## This Week

This week in Nursery we have been exploring our new provision areas, in line with our theme "Why do you love me so much?". The children have continued with painting pictures of hares from our focus book 'Guess How Much I Love You' and they have been creating some fabulous heart collages using a range of different materials. We have been encouraging children to add facial features to face outlines and identify the different body parts. In our maths area, children have been exploring with our 'Royd car park', they have had to match the correct coloured numbers on the cars to the correct colour numbered parking spaces.

We have continued with our shared read book, 'Guess How Much I Love You'. We have listened to the story we have continued to discuss the book and we answered verbal questioned based on different sections of the book.

In phonics we have learnt s and d, this week. Please use the following video when helping your child consolidate their phonics learning as we need consistency for them at home and school.

## Reading books

Children in Nursery are encouraged to select a book from the book box on the carpet area. Children should keep the same book for a week and return these on their last day of Nursery every week. Please ensure you change your child's book with them in the morning.
