Our CU centres in Barnsley, Doncaster, Rotherham and Sheffield all work slightly differently. So, take a look at the next page to find out how your child can join in.

Welcome

Welcome to the October 2025 edition of our SYCU Passport to Learning newsletter. It contains information about activities happening right across the region in the holidays, so why not take a look? Some activities are free, others are charged, but there's plenty to choose from. Remember, you can earn CU credits for taking part! All our Learning Destinations (approved activity providers) deliver activities throughout the year, so why not find their details and discover what's on offer?

www.childrensuniversity.co.uk/activity-search

CHILDREN'S UNIVERSITY - WHAT IS IT?

Children's University (CU) encourages children and young people to take part in extra learning activities in their own time (beyond the school day). They earn 1 CU credit per hour they take part, which leads to certificates and badges between 30 credits (Bronze Award) and 100 credits (Gold Fellowship). Some are presented at our Gold Awards Ceremonies (see the picture at the top!). We know it makes a difference - pupils have fun and make new friends as well as develop confidence, motivation and essential life skills. They're more likely to have better attendance, make more progress and achieve more at school.

Did you know...?

There are Children's University (CU) centres right across the country. Here in South Yorkshire, we have some of the UK's biggest CUs with tens of thousands of children and young people collecting hundreds of thousands of CU credits every year...that's amazing! You're amazing!

In the last few years, Barnsley, Doncaster, Rotherham and Sheffield CUs have been working together to share ideas on how we can make CU even better in South Yorkshire. This means that there are even more opportunities for children, young people and families to earn CU credits right across our region.

Not sure which CU centre your child belongs to?

**It's whichever Council area that their school is covered by.
Not sure? Ask in school**

And this Holiday Activity Newsletter is just one of the ways we're pulling our ideas together. So, just before every school holiday, look out for our newsletters packed full of ideas of places to visit, new things to try and activities to take part in.

The way CU members collect their credits is a little different in each area, so here's a quick guide...

How to collect your CU credits at Learning Destinations...

Barnsley, Doncaster & Rotherham CU members

- Take part in the CU activity
- Ask for the CU stamp code
- Write it in your Passport to Learning (if you have one)
- Log into CU Online
- Claim your credits using the CU stamp code

Sheffield CU members

- Take part in the CU activity
- Sheffield Learning Destination:**
 - Ask the Learning Destination to sign your Passport to Learning
 - Add your details to the CU register before you leave
- Learning Destination beyond Sheffield:**
 - Ask the Learning Destination to sign your Passport inc. the CU stamp code
 - Claim your credits here...

CHILDREN'S BEGINNER

MARTIAL ARTS

Programmes for 5-7yrs & 8-12yrs

CHILDREN'S MARTIAL ARTS

All parents want their children to become leaders. At Premier Martial Arts, we believe that all children are special, capable of greatness and we seek to provide our students with the skills they need to be exceptional.

As a parent, it can be difficult to discipline your child, to teach them the value of hard work and respect for authority, especially if your child is struggling in school. This is why so many parents enroll their children with Premier Martial Arts, as we will not only transform their work-ethic, instill discipline and respect, but we also work to boost their self-confidence and help them become physically active and mentally fit.

ADULTS MARTIAL ARTS

Want a fun alternative to the boring, impersonal experience you find at gyms? By practicing martial arts, you will not only get in the best shape of your life - you will also learn useful skills such as how to stand up for yourself, how to protect yourself and how to live your life with confidence.

Of course, you'll make great friends along the way while having the time of your life! Try one of our classes today to see how Premier Martial Arts can change your life, you'll ask yourself why you didn't try it sooner!

WHY CLIMBING?

Because learning doesn't just happen in the classroom! Learn through play is an excellent way to help keep your child developing through the school holidays.

Your kids will become physically confident, helping support their health & fitness, while developing character-building qualities and supporting values such as fairness and respect.

HOLIDAY CLUB CLIMBING

3.5 hours | £35 pp | Lunch included

A fun-filled 3.5 hours of climbing related activities that are rooted in developing balance, agility, teamwork, and confidence that includes lunch, refreshments and all equipment hire.

Each session is hosted by DBS checked and NSPCC child protection trained instructors.

Camps run Monday-Thursday during school holidays and take place between 09:00-12:30.

CLIMBING FOR ALL AGES

All ages and ability levels are covered in our range of climbing sessions.

We start at age 1 and run all the way through to 17.

October Half Term Fun

Tuesday, Wednesday and Thursday across our sites
12 - 3pm, just drop in. Free, donations welcome

Weston Park Museum: Tue 28 October: Mushy Pea Mayhem

Join us for an activity inspired by Chol Theatre's exciting new play *The Case of the Missing Mushy Peas Recipe!* Through drama, games and storytelling, we will step back in time to the Batchelors factory. Let's play with the sounds of the factory floor and discover objects and artefacts from the past as we celebrate and explore Sheffield's little-known industrial changemaker, Ella Hudson Gasking.

This family activity is produced in collaboration with [Chol International Arts](#)

Millennium Gallery: Wed 29 October: Hidden Colours

You'll explore how pH indicators from things like red cabbage and turmeric change colour, and test if household products are acids or bases. You'll discover the answer to an age-old question: which crisps are the most acidic? And how sour are those sweets? Watch the colours change and find out!

This event is in collaboration with Sheffield Hallam University.

Kelham Island Museum: Thurs 30 October: Oozing Oobleck and Spooky Slime

We're getting into the spooky spirit this half term and exploring the chemistry behind different types of runny goo. An oobleck is a material that can act like both a liquid and a solid - you'll learn about the science behind this weird and wonderful stuff, experiment with your own viscous liquids and make some special slime to take home with you
