## This Week

This week in Nursery we have continued with our Christmas theme. We have been taken over by Father Christmas's elves! From the North Pole they have brought exciting activities for us to do. We have been learning how to wrap wooden blocks in the hope that we are recruited by the elves for the workshop.

We have been continued with creating our own Christmas decorations using tissue paper and sequins. The children have also been using corks to print painted decorations onto Christmas tree outlines.

In maths we have been adding pom poms to fill the drawn out presents. We have then been counting out how many pom poms we each had.

On the writing table we have been writing out letters to Father Christmas, trying to develop our pencil control by following the dotted lines and keep our colouring inside the lines!

We have continued with our shared read book, 'Bear stays up for Christmas'. We have discussed the book and answer questions about what happens and what we think the characters might feel at different points.

safe from different risks online and where to go to get support and advice.

## Keep your child safe online

It is important to have regular conversations about staying safe online and to encourage children to speak to you if they come across something worrying online.

Talk to your child about the importance of creating a safe online environment, including keeping any log-in details and passwords safe.

The below resource is designed to support you to talk to your child about a range of online safety issues, set up home filtering in a child-friendly way and set up age-appropriate parental controls on digital devices:

UK Safer Internet Centre - tips and advice for parents and carers to keep children safe online - you can also report any harmful content found online through the UK Safer Internet Centre <https://saferinternet.org.uk/guide-and-resource/parents-and-carers> AND <https://reportharmfulcontent.com/>
