This Week

This week in Nursery we have continued with our Christmas theme. We have been taken over by Father Christmas's elves! From the North Pole they have brought exciting activities for us to do. We have been learning how to wrap wooden blocks in the hope that we are recruited by the elves for the workshop.

We have been continued with creating our own Christmas decorations using tissue paper and sequins. The children have also been using corks to print painted decorations onto Christmas tree outlines.

In maths we have been completing repeating patterns on Christmas jumpers! Using different colour shapes and

On the writing table we have been decorating Christmas baubles, trying to develop our pencil control by following the dotted lines and keep our colouring inside the lines!

We have begun our new shared read book, 'Bear stays up for Christmas'. We have discussed the book and answer questions about what happens and what we think the characters might feel at different points.

FSI NEWSLETTER – WC 8.12.2025

Please send your child in a Christmas jumper. For the performance.

You will have receive a letter regarding Festive celebrations happening in nursery.

Homework

Homework will be given out to children on their last day of every week. Please ensure this is physically handed in either by your child or yourself as members of staff do not check children's bags.

If you have lost your home work or did not receive one due to absence, please collect your own copy from the notice board in the entrance to Nursery.

Reading books

Children in Nursery are encouraged to select a book from the book box on the carpet area. Children should keep the same book for a week and return these on their last day of Nursery every week. Please ensure you change your child's book with them in the morning.

Online Safety

The below has been taken from GOV.UK and is guidance based on "Support for parents and carers to keep children safe online".

While there are huge benefits to being online to stay connected to family and friends, the government recognises many parents feel concerned about the activities and content their children are accessing. This guidance outlines resources to help keep children safe from different risks online and where to go to get support and advice.

Keep your child safe online

It is important to have regular conversations about staying safe online and to encourage children to speak to you if they come across something worrying online.

Talk to your child about the importance of creating a safe online environment, including keeping any log-in details and passwords safe.

The below resource is designed to support you to talk to your child about a range of online safety issues, set up home filtering in a child-friendly way and set up age-appropriate parental controls on digital devices:
