## This Week:

This week we have had some special visitors into nursery, to show us how they help us in our community. We were very excited to look at a real fire engine and speak to a fireman! He showed us how the fire engine worked and helps save people. We then had a visit from a police officer, and he showed us his uniform and how to stay safe around strangers. Finally, Jackie our lollipop lady came in to help us learn how to cross the road safely. Thank you to all of them for giving up their time to inform us how to stay safe.

This week we have continued with the story 'The Firefighter'. The children have loved exploring this story! They have enjoyed listening to the story and learning all about firefighters.

This week we have also continued our 2-week cycle based on 'safety and people who help us'. The children have enjoyed saving people from a burning building in the small world area, building houses using playdough and creating thank you cards for people who mean a lot to us and who help us.

We have also continued with our groups for phonics this week. The children have done really well at sitting and listening and learning their new sound. Excellent!

Attendance- 92.9%

## Homework

Homework will be given out to children on their last day of every week. Please ensure this is physically handed in either by your child or yourself as members of staff do not check children's bags.

If you have lost your home work or did not receive one due to absence, please collect your own copy from the notice board in the entrance to Nursery.

## Reading books

Children in Nursery are encouraged to select a book from the book box on the carpet area. Children should keep the same book for a week and return these on

their last day of Nursery every week. Please ensure you change your child's book with them in the morning.

## Online Safety

"Jessie & Friends: online safety education for 4-7s" is a series of three animations aims to give 4-7 year olds knowledge, skills and confidence to help them respond safely to risks they may encounter online.

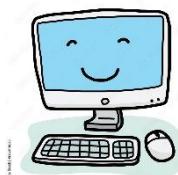

Children are accessing technology and the internet at a younger age than ever before. It's never too early to talk to your child about what they do online and who to tell if they come across anything online that makes them feel worried, scared or sad.

There's also a storybook for each episode, to help you and your child keep the conversation going.

The key message throughout Jessie and Friends is that if a child is ever worried by anything online, they should tell a grown-up they trust, who will help them.

To read the storybooks together or to watch the three episodes please click on the following link:

## Reminders

Please remember to let staff aware if your child is being collected by a different adult. Please can we ask you tell us the name of the adult collecting the child and add it to the child collection board as you enter nursery.

Polite reminder that juice is NOT allowed in Nursery or school. Children are to bring in a bottle of water every day to ensure they are kept hydrated. This also applies for lunch boxes too.

A gentle reminder that we are a nut free school, this also means that if packs state 'may contain traces of nuts' this also cannot be provided in children's pack lunches. Also, within our healthy school policy we ask that sweets and chocolate are not provided in pack lunches.

Thank you for understanding.

Please ensure you chose your child's dinner on the interactive whiteboard with them in the morning before leaving them or you notify them if they are a school dinner or packed lunch.

We open nursery from 8.40am-8.50am, we ask that you read the book or practise their name writing using the name card sheets from their draw and a whiteboard pen from the writing area from and return it after the shaker has been shaken at 8.50am. Books will be changed weekly by a staff member.

A pink scarf with pom poms on the end of it has gone missing from a child in nursery. Please, if you do find this, can you return it to a member of staff at nursery.

Thank you.
