

FSI NEWSLETTER – WC 2.2.26

This Week:

This week we have started to explore the story 'The Three Little Pigs'. The children have enjoyed joining in with the repetitive language and understanding the characteristics of the different characters. We have also answered questioned based on events in the story.

This week we have enjoyed new activities in our continuous provision. We have been looking at largest and smallest, in our maths area. The children have been ordering the socks from longest to shortest on the washing lines. The children have been decorating pictures of woolly hats, trying to fill all the space provided.

Our writing area has been turned into a café; the children have been busy taking customers' orders and serving their food. Developing their fine motor and communication skills.

Gentle Reminder

We open nursery from 8.40am-8.50am, we ask that you read the book or practise their name writing using the name card sheets from their draw and a whiteboard pen from the writing area from and return it after the shaker has been shaken at 8.50am. Books will be changed weekly by a staff member.

Homework

Homework will be given out to children on their last day of every week. Please ensure this is physically handed in either by your child or yourself as members of staff do not check children's bags.

If you have lost your home work or did not receive one due to absence, please collect your own copy from the notice board in the entrance to Nursery.

Reading books

Children in Nursery are encouraged to select a book from the book box on the carpet area. Children should keep the same book for a week and return these on their last day of Nursery every week. Please ensure you change your child's book with them in the morning.

Online Safety

Keeping your under 5 safe online

Whether it's watching videos, playing games on their devices or talking to Alexa - today's under 5s are spending more time online. In this article we look at the benefits of children accessing the internet, and

FSI NEWSLETTER – WC 2.2.26

share advice about how to make sure your child has a safe experience online.

Statistics released by Ofcom show that over 50% of children aged 3-4 go online for nearly 8 hours a week, and 1 in 5 children aged 3-4 have their own tablet.

This may be surprising, but research has shown that families are spending more on technology for a number of reasons:

- To further their children's education,*
- to maintain connections with family and friends,*
- and to facilitate and enjoy daily life.*

Reminders

Please remember to let staff aware if your child is being collected by a different adult. Please can we ask you tell us the name of the adult collecting the child and add it to the child collection board as you enter nursery.

Polite reminder that juice is NOT allowed in Nursery or school. Children are to bring in a bottle of water every day to ensure they are kept hydrated. This also applies for lunch boxes too.

A gentle reminder that we are a nut free school, this also means that if packs state 'may contain traces of nuts' this also cannot be provided in children's pack lunches. Also, within our healthy school policy we ask that sweets and chocolate are not provided in pack lunches.

Thank you for understanding.
