

FSI NEWSLETTER – WC 9.2.26

This Week:

This week we have continued to explore the story 'The Three Little Pigs'. The children have enjoyed joining in with the repetitive language and understanding the characteristics of the different characters. We have also answered questioned based on events in the story.

This week we have enjoyed continuing with activities in our continuous provision. We have been looking at largest and smallest, in our maths area. The children have been ordering the socks from longest to shortest on the washing lines. The children have been decorating pictures of woolly hats, trying to fill all the space provided.

Our writing area has been turned into a café; the children have been busy taking customers' orders and serving their food. Developing their fine motor and communication skills.

We open nursery from 8.40am-8.50am, we ask that you read the book or practise their name writing using the name card sheets from their draw and a whiteboard pen from the writing area from and return it after the shaker has been shaken at 8.50am. Books will be changed weekly by a staff member.

Online Safety

Using parental controls

FSI NEWSLETTER - WC 9.2.26

Parental controls are a great tool to help better protect your children online. Find out how you can use them more effectively.

What do parental controls do?

These controls are designed to help you manage your child's online activities. Parental controls can set online time restrictions for your child and create content filters to manage the content they see. Parental controls can be used across your broadband, Wi-Fi, apps, games consoles and personal devices including mobile phones and tablets. There are various types, some of which are free but others which can be bought.

However, nothing is totally fool proof so they shouldn't replace the need for you to support and advise your child on online safety.
