Last week

Last week we continued doing activities around our theme, "Where does the snow go?". The children enjoyed exploring the corn flour. touching it and talking about how it feels. They helped to build a snowman during our number matching game.

This week

We are continuing our topic, "Where does the snow go?" We are doing various activities around this and linking it to cold countries with the weather being cold.

We are also looking forward to welcoming some of our parents to our stay and play. We there will be various activities on offer to enjoy. We look forward to seeing you!

Reminder

A gentle reminder about only providing water in water bottles. Thank you.

Please ensure your child brings a warm coat, hat and gloves. We will be playing out in all weathers so if you would like to provide them with some wellingtons in a labelled carrier bags as we have some large puddles which develop when it rains heavy and children love to jump in muddy puddles!

Please remember to ensure all your child's clothing and water bottles are labelled and if you could provide spare clothes in their bag as we are very low on spare clothes.
Thank you!
