

FSI NEWSLETTER – WC 16.3.26

This Week:

This week we have continued our new topic 'Are eggs alive?'

We have continued to look at our story called 'The Ugly Duckling'. The children have listened to the story and answered questions linked to the story. They have really enjoyed linking the story to the chicks we have in nursery and about them hatching just like the ugly duckling.

At our mark making table, the children have been completing some still life drawings of tulips. We have been drawing the outlines of the shapes we can see on the flowers and adding the colour where required. The children have been careful to stay within the lines.

On our maths table we have been identifying the numeral or the subitised amount (like the dots on a dice) on the bottom of the ducks in our hook a duck game. The children have really enjoyed interacting with maths in this game and they have been supporting each other to count the number of dots or with reading the number on the bottom of the ducks.
