

FSI NEWSLETTER – WC 2.3.26

This Week:

This week we have continued our two week focus of 'The Gruffalo'. This is our chosen text for World Book Day. We have lots of engaging new activities for the children to interact with.

The children have really enjoyed listening and joining in with the story of 'The Gruffalo'. They have spotted rhyming words and identified features and habitats of the animals in the book.

At our mark making table, the children have been cutting and sticking images of the characters from the story to create a story map, which is helping to develop their cutting skills. Children have also been making Gruffalo face collages using a wide variety of different coloured paper.

On our maths table we have been matching quantity of number to the number representation of the Gruffalo's purple prickles on his back. The children have had roll a dice and added the correct value of purple prickles to the Gruffalo's back using their fine motor skills to manipulate the pegs, with purple prickles on, and attach them to their Gruffalo. This helps children understand the value of number.

Chick eggs!

We have chick eggs in nursery they arrived on Monday. We will have them for 2 weeks and we will be able to watch the chicks hatch and become all fluffy!
