19 March 2026

Dear Parents/Carers of our Nursery children,

As part of the Early Years curriculum children need to understand, respect and care for all living things. To support this Creature Ark will be visiting school on Wednesday 15th April 2026.

Mags and her team of creatures will be working with the 2 year provision, Nursery and Reception. Children will have the opportunity to observe and hold (should they wish) a range of creatures that Mags brings along. They will be encouraged to ask questions to develop their own understanding of the different creatures, their habitats and everyday needs for survival.

It will be a normal school day as the creatures are visiting school. The cost of this event is £3.00 per child payable by Parentpay which also provides your consent.

If your child does not attend on a Wednesday morning and you would like them to take part, please tick the option 'I would like my child attend the Creature Ark visit' below, return the slip by 23rd March 2026 and a member of staff will contact you with details.

If you would like your child to attend, please make consent and payment by Parentpay for 25th March 2026. Thank you.

Yours sincerely,

Louise Jones
 Executive Head

Sean Sly
 Acting Deputy Head

Creature Ark Nursery Visit April 15th 2026

Name of Child :

Class : FS1

My child does not attend Nursery provision when the visit is due to take place and I would like them to attend.
