

FSI NEWSLETTER - WC 20.4.26

This Week:

This week in Nursery, the children have continued exploring our new topic 'Why do spiders eat flies'. We have carried on with our focus story 'What the Ladybird heard.' We have been discussing the characters feelings and answering questions based on the events.

At our mark making table, the children have continued to colouring pictures of different animals from the story and some minibeasts. This is helping them to develop their pencil control and keeping within the lines. We have been making collage butterflies. This allows the children to further develop their fine motor skills. On our easel, children have been printing bees using potatoes! They have produced some fantastic art work!

On our maths table we have been looking at pattern and symmetry. The children have enjoyed making butterflies, looking at matching the coloured lollipop sticks in order and making sure their butterfly is symmetrical.

We have also had a visit from some minibeasts in to school this week. The children loved to look, touch and sometimes even hold them. The children were very respectful towards the minibeasts and we hope to see them again soon.

Homework

Homework will be given out to children on their last day of every week. Please ensure this is physically handed in either by your child or yourself as members of staff do not check children's bags.

If you have lost your home work or did not receive one due to absence, please collect your own copy from the notice board in the entrance to Nursery.

Reading books

Children in Nursery are encouraged to select a book from the book box on the carpet area. Children should keep the same book for a week and return these on their last day of Nursery every week. Please ensure you change your child's book with them in the morning.

Treat them like you would treat them in real life and always remember your manners.

3 TELL A TRUSTED ADULT IF YOU ARE BEING BULLIED ONLINE

If other another person is sending you nasty messages, a trusted adult will be able to help you collect evidence and report the person to the relevant authorities.

4 USE PASSWORDS TO PROTECT YOUR PERSONAL INFORMATION

Ask a trusted adult to help you create a password that you can easily remember but which is hard for other people to guess.

5 ALWAYS CHECK WITH A TRUSTED ADULT FIRST BEFORE USING A DEVICE OR DOWNLOADING A NEW APP

This is so that they can check it is safe for you to use and make sure the privacy settings are right.

6 TELL A TRUSTED ADULT IF YOU SEE SOMETHING ONLINE WHICH YOU DON'T LIKE

This can include anything that upsets you, makes you feel sad or which you're unsure about.

7 USE THE INTERNET TO HAVE FUN AND TO HELP YOU FIND OUT INFORMATION ABOUT THINGS

Remember to ask your trusted adult for help and always use child friendly search engines so that the information you get back is safe.

1 ACCEPT FRIEND REQUESTS FROM STRANGERS OR PEOPLE YOU DON'T KNOW

Always tell a trusted adult if somebody you don't know tries to contact you online.

2 SPEND TOO MUCH TIME ON YOUR DEVICE

Instead, go out and play with your friends, get some fresh air and try to exercise more. This will help you stay fit and healthy.

3 REPLY TO MESSAGES FROM ONLINE BULLIES OR PEOPLE WHO SEND YOU NASTY MESSAGES

The most important thing to do is to tell a trusted adult and then block the person from contacting you.

4 COPY PEOPLE'S WORK ONLINE OR PRETEND IT IS YOURS

This is called plagiarism and can get you into a lot of trouble.

5 BE MEAN OR NASTY ONLINE

Behave online like you would in real life and don't post anything that can make you look like a bad person. Things that you post online can stay there for a very long time.

This will allow your brain to rest so that you can get a good night's sleep, stay focused at school and perform better in class.
