

14 April 2026

Dear Parents/Carers of our Nursery children,

As you will be aware Creature Ark were booked to deliver a workshop to our Early Years children on Wednesday 15<sup>th</sup> April 2026 then cancelled their booking at short notice.

School are delighted to have secured a booking with Wild Science that will take its place on the new date of Wednesday 22<sup>nd</sup> April 2026. Wild Science will provide the children with a near identical experience where they will have the opportunity to observe and hold (should they wish) a range of creatures. Children will be encouraged to ask questions to develop their own understanding of the different creatures, their habitats and everyday needs for survival.

Wild Science charge schools a greater amount per pupil than Creature Ark. However, School will pay this difference.

- For parents / carers that paid £3 linked to Creature Ark, this still provides consent and no further action is needed.
- For any parents / carers that have currently not paid the £3, if you would like your child to attend, please make consent and payment by Parentpay for this Friday (17<sup>th</sup> April).
- If your child does not attend on a Wednesday morning and you would like them to take part, please make consent and payment via ParentPay, tick the option 'I would like my child to attend the Wild Science visit' on the slip below and return the slip by Friday 17<sup>th</sup> April. A member of staff will contact you with details.

Please note that the visit will be a normal school day as the creatures are visiting school.

Yours sincerely,

Louise Jones  
Executive Head

Sean Sly  
Acting Deputy Head
