

FSI NEWSLETTER - WC 27.4.26

This Week:

This week in Nursery, the children have continued exploring our new topic 'Why do spiders eat flies?'. We have started a new focus story 'What the Ladybird heard next.' We have been discussing the characters feelings and answering questions based on the events.

On our maths table we have been exploring dominoes! The children have had to look at the dominoes and use their number skills to match them to the correct minibeast with the number on it.

In our mark making area, children have been practising their name writing skills, making a caterpillar with letters from their name. These look brilliant!

In our creative area we have explored vehicles we may find on a farm such as tractors. Children have painted a tractor and have use the tyres to print tyre tracks on paper.

Gentle Reminder

We open nursery from 8.40am-8.50am, we ask that you read the book or practise their name writing using the name card sheets from their draw and a whiteboard pen from the writing area from and return it after the shaker has been shaken at 8.50am. Books will be changed weekly by a staff member.

Attendance- 94.7 %

Next Week

Phonics sounds covered this week:

Mrs Musgrave/ Miss Terry: n and p.

Miss Grimmer: m and a

Stars of the week

The nursery team have chosen:

Oscar P, Daniel, James & Isla.

FSI NEWSLETTER – WC 27.4.26

Mrs Bailey: e and l

Reminders:

Monday 4th May - school
closed - Bank Holiday

Homework

Homework will be given out to children on their last day of every week. Please ensure this is physically handed in either by your child or yourself as members of staff do not check children's bags.

If you have lost your home work or did not receive one due to absence, please collect your own copy from the notice board in the entrance to Nursery.

Reading books

Children in Nursery are encouraged to select a book from the book box on the carpet area. Children should keep the same book for a week and return these on their last day of Nursery every week. Please ensure you change your child's book with them in the morning.

Online Safety

National Online Safety - Roblox

National Online Safety believe in empowering parents, carers and trusted adults with the information they need to hold informed and age-appropriate conversations about online safety with their child, should they feel it is needed. This weeks focus is "Roblox". Please note that only children aged 7+ should be accessing this.

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one game of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

What Parents & Carers Need to Know about

ROBLOX

With more than 150 million users worldwide, Roblox is one of the most popular video games of recent times. Roblox allows users to create their own gaming experiences using Roblox Studio: building levels and games then allowing other people to play them. Similarly, players can play each other's creations, either on their own or with other people online. While it's a tool that can help foster creative thinking, Roblox is also intermittently in the news amid concerns over young users' safety.

No Age Rating

Roblox is rated 7+ by PEGI, but the platform itself doesn't have a minimum age requirement. It does ask for a date of birth when registering, but this can be easily fabricated. The sheer quantity of games available on Roblox means that some will fall into teen/adult categories. Users can also interact with each other freely – and the game has, historically, attracted scammers, grievers and online predators.

In-App Purchases

Robux is the in-game currency used to buy things like special outfits or emotes, and to play certain sections of the game. A subscription service (costing £4.99 per month) called Roblox Premium offers more privileges and more in-game currency. Robux can also be purchased in batches, for up to £4.99. Children can easily pay for these, or purchase a membership, without realising it.

Chat Functionality

Users can join group chats with almost anyone through the Chat & Party function. While the chat has some filters, predators still try to find ways around these to prey on young children. There have been recent reports of adults pretending to be children, attempting to groom younger players and encouraging them to chat privately in an unmoderated environment away from the game.

ODers

An 'ODer' (online dater) joins Roblox to find someone to 'date' online. While there's nothing inherently wrong with finding love on the internet, it becomes an issue in a space that's populated by children and young teens, like Roblox. Online dating is against Roblox's community guidelines, but certain player-built games on the platform are specifically for 'ODers' and should be avoided by children.

Online Predators

Roblox's developers aim to maintain a safe place for children; they employ human moderators for their players' protection. But there will, sadly, always be individuals who try to bypass these safeguards so they can chat to children and attempt to communicate outside the game. Anyone asking for your child's personal information or to talk privately should be blocked and reported.

Advice for Parents & Carers

Take Note of Ratings

Recent press reports drew attention to Roblox's issues with potentially offensive content. Some players were using Roblox Studio to create games featuring nudity, sexual activity and extreme political views. In response, Roblox is introducing a ratings system which will rank content by age appropriateness, with clear warnings if a game is not suitable for younger players.

Set Parental Controls

Roblox has controls that allow parents to moderate who their children can talk to and which games they can play. To enable these, add your email address to your child's account through the Security menu, and create a secure PIN to stop settings being tampered with. Then head into the Privacy menu where you can apply moderation to in-game chat, personal messages, invites and more.

Disable Messages

It's advisable to block all messaging if you have concerns over your child's safety. If they're playing with friends they know in real life, encourage them to chat in another way (like on the phone), so you know exactly who they're talking to and how. Accounts can be tweaked to allow messages from specific groups of people, such as friends or users that your child follows.

Block and Report

To report players in a game, find the Roblox symbol on screen (or the 'Settings' button on some devices), identify the offending player and click the flag icon. Clarify why the player is being reported by choosing a reason from the list. If you think a particular game is inappropriate, you can also flag it for a moderator to check by following the same steps but selecting 'Game' instead of 'Player'.

Encourage Creativity

It could prove a little too complex for younger children, but Roblox Studio is a great place to start learning the fundamentals of game design. Many budding developers have created Roblox games which have become popular among the community. There are plenty of tutorials on making games on sites like YouTube. You never know, your child's creation might be the next big thing!

Meet Our Expert

Mark Foster has worked in the gaming industry for several years as a writer, editor and presenter. He is the gaming editor of two of the biggest gaming news sites in the world, UNILAD Gaming and GAMINGible. Starting gaming from a young age with his siblings, he has a passion for understanding how games and tech work, but more importantly, how to make them safe and fun.

Reminders

Please remember to let staff aware if your child is being collected by a different adult. Please can we ask you tell us the name of the adult collecting the child and add it to the child collection board as you enter nursery.

Polite reminder that juice is NOT allowed in Nursery or school. Children are to bring in a bottle of water every day to ensure they are kept hydrated. This also applies for lunch boxes too.

A gentle reminder that we are a nut free school, this also means that if packs state 'may contain traces of nuts' this also cannot be provided in children's

FSI NEWSLETTER – WC 27.4.26

pack lunches. Also, within our healthy school policy we ask that sweets and chocolate are not provided in pack lunches.

Thank you for understanding.

Please ensure you chose your child's dinner on the interactive whiteboard with them in the morning before leaving them or you notify them if they are a school dinner or packed lunch.

We open nursery from 8.40am-8.50am, we ask that you read the book or practise their name writing using the name card sheets from their draw and a whiteboard pen from the writing area from and return it after the shaker has been shaken at 8.50am. Books will be changed weekly by a staff member.

Thank you.
