18 May 2026

Dear Parent/Carers,

Our topic next half term is **'Which is the biggest dinosaur?'**, and we're gearing up for a truly *roarsome* adventure! To help the children dive head-first into all things prehistoric, we're inviting **Primary Workshops** into school for a hands-on dino experience on the morning of Wednesday 10 June 2026.

During the workshop, the children will get stuck into giant sandboxes as they dig, sift and uncover fossils from some of the most famous dinosaurs in history. *Tyrannosaurus rex*, *Stegosaurus*, *Triceratops* and plenty of other ancient giants are hiding beneath the sand, just waiting to be discovered. As they explore, the children will learn how these dinosaurs lived, where they wandered, what they munched on, and lots more fascinating facts.

And the excitement doesn't stop there — the organisers have promised that the workshop really springs to life when the children meet their very own **'baby dinosaurs'**. An expert handler will introduce these incredibly realistic little creatures and share amazing secrets about their families, habitats and the world they lived in millions of years ago.

It will be a normal school day as the dinosaurs and their organisers are visiting school. The cost of this event is £8.50 per child with school subsidising the remainder. The amount is payable on Parentpay which also provides your consent.

If your child does not attend provision on a Wednesday, they are welcome to join the session with an accompanying adult. Please complete the slip below, return it by the 1st June 2026 and a member of staff will contact you with the time of the session for you to attend. Please note the adult must remain with your child due to ratio's.

If you would like your child to attend, please make consent and payment by Parentpay for the 5th June 2026. If there are any issues, please do not hesitate to contact Mr Sly. Thank you.

Yours sincerely,

Louise Jones
Executive Head

Sean Sly
Acting Deputy Head

Nursery Dinosaur Dig and meet the Dino Visit June 10th 2026

Name of Child :

Class : FS1

My child does not attend the Nursery provision when the visit is due to take place and I would like them to attend.
