

### **Pride of Yorkshire Sculpture Trail – Our Lion Cub Location**

Dear Parents and Carers,

We are delighted to share some exciting news with you – the wait is finally over!

Royd Nursery and Infant School's Lion Cub will be proudly displayed as part of the *Pride of Yorkshire Sculpture Trail* this summer. You will be able to visit our sculpture at:

#### **Sheffield Cathedral**

Church Street  
Sheffield  
S1 1HA

**Dates:** 8th June – 7th September

Trail maps will be available to purchase at various venues, and there will also be a digital app to help you locate and collect all the sculptures along the trail. Further details will be shared on the Sheffield Children's Hospital Charity website closer to the launch.

We are also pleased to share that all funds raised through this project will support the redevelopment of the Emergency Department at Sheffield Children's Hospital. You can find out more about how this initiative is making a difference here:

<https://prideofyorkshire.org/what-is-the-trail-going-to-fund/>

The charity has expressed their thanks, saying:

*"We can't thank you enough for all the hard work you have put into fundraising and painting your lion cub sculpture. We hope you enjoy seeing them all proudly displayed across the region throughout the summer."*

Thank you for your continued support - we hope you enjoy visiting the trail!

Yours sincerely,

**Louise Jones**

Executive Headteacher
