

2 Year Provision Newsletter

- w/c 04/05/26

Last week

In provision we are continuing our topic "Why do spiders eat flies?"

We are doing activities around this including building a bug hotel and going on a bug hunt!

This week

We are continuing our theme around our topic. We will be talking to the children about different insects and their habitats. We are also looking at the seasons, as we move from spring into summer.

Book of the week

This story is linked to our theme we are running this term. Maybe if you have this story at home you could look through the story together at bedtime.

Dates for your Diary

Monday 4th May - Bank holiday Monday
Stay and Play sessions - Tuesday 12th May & Thursday 14th May
at 2:15-3:00

Sunflowers

The children have loved watching their sunflowers grow and will be bringing them home shortly, feel free to share photos on Tapestry of how big they have become, this will be great for all of us to look at as a group.

Sunny spring days

As the weather is becoming warmer please could we remind you to send your children with suncream applied and a sun hat as we spend lots of time playing outside.

Please remember to ensure all your child's clothing and water bottles are labelled and if you could provide spare clothes in their bag as we are very low on spare clothes.
Thank you!
