Donate 'a bottle' to Dress Down - Friday 10th July 2026

Dear Parents/Carers,

On Friday the 10th July we are having a dress down day across both schools.

Children can wear 'normal clothes' (No fancy dress, unsuitable footwear, or Pyjamas) in return for donating a bottle of something into school.

We are collecting anything that comes in a bottle for example: pop, bubble bath, wine, sauces etc. If the bottle is made of glass or the contents are alcohol please drop these into the school office.

These items will be used in one of the games in the Summer Fayre that will be available for all children to play, we just need as many donations of bottles as possible.

Thankyou so much for your support with this.

Yours sincerely,

Louise Jones
Executive Headteacher
