

FSI NEWSLETTER – WC 7.9.2026

This Week

Welcome back and hello to all of our new children and parents! We hope you have all enjoyed the summer holidays and are ready to start a new year at Nursery? This week we have been busy settling in our existing children to Nursery, whilst helping to settle in our new starters for this academic year. It has been lovely to see lots of new faces join our Nursery and see the children make great friendships. It has also been fantastic to be able to welcome parents back inside Nursery too. This week we have enjoyed sitting and listening to a range of stories and getting to know each other's names and the space we have around us.

Homework

Homework will be given out to children on their last day of every week. Please ensure this is physically handed in either by your child or yourself as members of staff do not check children's bags.

If you have lost your home work or did not receive one due to absence, please collect your own copy from the notice board in the entrance to Nursery.

Reading books

Children in Nursery are encouraged to select a book from the book box on the carpet area. Children should keep the same book for a week and return these on their last day of Nursery every week. Please ensure you change your child's book with them in the morning.

Online Safety

The Education for a Connected World framework is used by Royd Nursery Infant School to support in the delivery of online safety. It describes the Digital knowledge and skills that children and young people should have the opportunity to develop at different ages and stages of their lives. It highlights what a child should know in terms of current online technology, its influence on behaviour and development, and what skills they need to be able to navigate it.
