This Week

This week in Nursery we have continued to explore Autumn changes in provision. The children have been observing changes outside like the leaves on the trees changing colours and falling off and the temperature change and how we dress going outside because of it.

We have added hits of Halloween decorations though out nursery and we have incorporated this into our 'Shop' at the writing table. The children have loved making different witch potions using a range of different ingredients.

Children have also enjoyed printing using fruit and vegetables, linking to our focus book 'A Piece of Cake'.

We have continued our shared read book, 'A Piece of Cake". We have discussed the book and answered questioned about what happens and how we think the characters might feel at different points.

In phonics we have learnt i, o, g, n and p, this week. Please use the following video when helping your child consolidate their phonics learning as we need consistency for them at home and school.

Homework

Homework will be given out to children on their last day of every week. Please ensure this is physically handed in either by your child or yourself as members of staff do not check children's bags.

If you have lost your home work or did not receive one due to absence, please collect your own copy from the notice board in the entrance to Nursery.

Reading books

Children in Nursery are encouraged to select a book from the book box on the carpet area. Children should keep the same book for a week and return these on their last day of Nursery every week. Please ensure you change your child's book with them in the morning.
