

2 Year Provision Newsletter - w/c

02/11/24

Last week

In 2 year provision last week we continued doing activities and group times around our theme

'Why do you love me so much! We have done this through singing familiar songs and rhymes together.

The children have enjoyed joining in with the actions, developing their listening and communication skills and sharing special moments with their friends.

The children have continued to enjoy crafts and activities inspired by our shared read 'The Smeds and The Smoos'.

They have used a variety of construction materials to design and build their own rockets exploring their creativity and problem-solving skills. We have also been weighing our own space rocks, comparing their weights and learning the concepts of heavy and light.

This week

As we enter our new half term our theme changes to 'Why do leaves go crispy' We are looking forward to exploring the wonders of Autumn through fun and hands-on activities, crafts and outdoor learning.

We will also begin learning about Diwali, the Festival of Lights, which starts on the 6th Nov with the main event on the 8th Nov. We will explore the traditions and celebrations through stories, creative activities and lots of fun!

Book of the week

This story is linked to our theme we are running this week. Maybe if you have this story at home you could look though the story together at bedtime.

Dates for your diary

Monday 2nd Nov- School reopens

Reminder

Please remember to ensure all your child's clothing and water bottles are labelled and if you could provide spare clothes in their bag as we are very low on spare clothes.

Now the weather is turning a bit cooler can you please ensure your child brings a warm coat. We will be playing out in all weathers so if you would like to provide them with some wellingtons in a labelled carrier bags as we have some large puddles which develop when it rains heavy and children love to jump in muddy puddles!
