

2 Year Provision Newsletter - w/c

12/10/26

Last week

In 2 year provision, we have continued exploring our topic,

'Why do you love me so much?'

The children really enjoyed taking part in a variety of fun and engaging activities. We have explored colour mixing, inspired by our shared read 'The Smeds and the Smoos', experimenting with different colours and watching what happens when we mix them together.

We have been enjoying singing 'Five little men in a Flying Saucer', joining in with the actions, counting the men on our fingers and having lots of fun with repeated words and phrases.

We have also been busy making number rockets, combining our creativity with early mathematical learning as we explore numbers and counting.

The children have really enjoyed getting involved, exploring new ideas and learning through play.

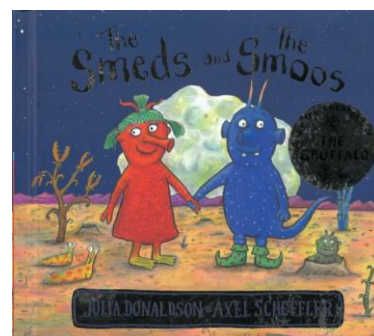

This week

We are continuing our theme 'Why do you love me so much'. We are still looking at the people in our lives, who live with us and about friendships.

Our book of the week is 'The Smeds and The Smoos'.

Book of the week

We will be doing various activities linked to this book.

We are also looking at the changes in the environment and planning activities around this.

This story is linked to our theme we are running this week. Maybe if you have this story at home you could look though the story together at bedtime.

Now the weather is turning a bit cooler can you please ensure your child brings a warm coat. We will be playing out in all weathers so if you would like to provide them with some wellingtons in a labelled carrier bags as we have some large puddles which develop when it rains heavy and children love to jump in muddy puddles!
