FSI NEWSLETTER - WC 2.11.26

This Week

This week in Nursery begun our new topic 'Why do leaves go crispy?' We have been looking at bonfire night and fireworks. We have discussed the importance of being safe around bonfires and fireworks. We have created glitter star and pastel firework pictures.

In maths we have been focusing on shapes. (circle, square, triangle and rectangle) We have been selecting the different shapes and matching them to the correct box. We have discussed how many sides and corners the shape has.

We have begun a new shared read book, 'The owl who was afraid of the dark". We have discussed the book and answered questioned about what happens and how we think the characters might feel at different points.

In phonics we have split the children into groups.

Children have been recapping phonics sounds taught to them over the Autumn 1 term, to embed them. The sounds we have covered so far are m, a, s, d, t, i, n, p, g and o.

Please see Mrs Musgrave and Miss Terry if you have any questions regarding phonics and how to support at home.

The colder weather is now creeping in, a gentle reminder that children require a warm winter coat, hats and mittens. Mittens are preferable to gloves as the children can independently put these on compared to gloves.

Homework

Homework will be given out to children on their last day of every week. Please ensure this is physically handed in either by your child or yourself as members of staff do not check children's bags.

If you have lost your homework or did not receive one due to absence, please collect your own copy from the notice board in the cloakroom area in nursery.

Reading books

Children in Nursery are encouraged to select a book from the book box on the carpet area. Children should keep the same book for a week and return these on their last day of Nursery every week. Please ensure you change your child's book with them in the morning.
