FS2 NEWSLETTER – WC 09.11.2026

This Week

We have continued learning new phonemes in our daily phonics lessons and have been playing listening games to help us distinguish between sounds. This week, the children have enjoyed a visit from a dentist who taught us how to brush our teeth and why taking care of our teeth is so important!

Attendance: **class 1** – 93.1 % and **class 2** – 99.2 %

Next week

We will be continuing learning in our phonics groups and learn new sounds by hearing, saying, reading and writing them.

In maths we are learning about subitising numbers 1-3. We subitise numbers by knowing which number it is without counting out objects. For example, knowing which number is represented on the sides of dice.

Stars of the week

Reader of the week: class 1 – Jack and class 2 – Rowan

Writer of the week: class 1 – Wren and class 2 – Lily

Mathematician of the week: class 1 – Toby and class 2 - Charlotte

Well done boys and girls. Miss Brook, Miss Brown, Mrs Barker and Miss Darbyshire are proud of you!

Homework

Each Friday, homework will be handed out to your child. This homework should be completed and returned to your child's class teacher by the date stated on the sheet. Homework can be returned by uploading photographs to Tapestry or a physical copy can be handed in too.

PE Days

PE day for this half-term is Monday for both Class 1 and Class 2. Please ensure your child's outdoor (joggers, hoodie, trainers, t-shirt) and indoor kit (t-shirt, shorts, trainers/pumps) is on their peg ready for this date.

Children should keep their indoor and outdoor PE kits on their peg throughout the week. This allows them to change into their own clothes if they have an accident and ensures they can still participate in PE lessons if sessions need to be rescheduled due to other events.

FS2 NEWSLETTER – WC 09.11.2026

Friday 13th November 2026 – Children in Need

ONLINE SAFETY

The Education for a Connected World framework is used by Royd Nursery Infant School to support in the delivery of online safety. It is a tool for anyone who works with children and young people. It enables the development of teaching and learning as well as guidance to support children and young people to live knowledgeably, responsibly and safely in a digital world.

It focuses specifically on eight different aspects of online education. Strand 6 focuses on "Health, well-being and lifestyle"

To view Strand 6 "Health, well-being and lifestyle" please click on the following link and scroll to page 31 and 32 (if you would like to know more about this strand and what is covered from ages 7 – 18 please scroll to pages 33 – 35):
